THE ROVING RABBIS

Each summer, Merkos L'inyonei Chinuch, the educational arm of the Chabad-Lubavitch movement, dispatches hundreds of rabbinical students to small Jewish communities around the globe. Rabbinical students and young rabbis spend their summers on the road, sharing their passion for Jewish life and bringing Jewish awareness and observance wherever they go.

These dedicated students, chosen for their rabbinic proficiency and people skills, vie for the honour of assisting the most faraway and isolated communities. These summer assignments also afford them with an invaluable on-the-ground experience in Jewish outreach and a unique appreciation for the diverse needs and colorful makeup of our nation.

The Roving Rabbis will be traveling through Alberta and the Canadian Rockies this summer as well.

For more information about this program please visit our website.
