- Building an additional 2,500 sq. ft. hall that will accommodate a Sanctuary, events hall, & required Washrooms

We are overwhelmed with the support
and time put in by our community.

We would not be where we are today without the
support of our community. We sincerely thank all of
the donors and tradesmen for the countless hours
put in to make this Chabad House home.

We will continue renovating
and expanding the Chabad Calgary Campus
to deliver and improve vital programming
to our community.
