ABOUT THIS PROJECT

*Transforming our Campus
for Children's Programs during this pandemic*

This project is transforming one acre of our campus grounds from gravel to a grass-field with a sprinkler system, playground, cozy seating and meeting area.

This transformation will allow children of all ages to get out of their homes, get outside, and participate in safely organized and managed activities.

Huge thank you to Jeff and Brian Sander and their family, NSI Scapes and National Neon, for their generosity and spearheading this project!

Visit www.ChabadRelief.ca to Partner with Us.

Also a big thank you to
Gordy & Eva Hoffman

dedication, leadership, and guidance.

Your ongoing support and friendship
has been a source of inspiration to us.

Thank you for everything you do.

THE RUTH ELIZABETH LACOME GAZEBO PROJECT

This project will bring an outdoor seating and meeting area to our campus.

A cozy, outdoor area where one can meet, talk, relax and enjoy nature. Picture enjoying nature's beauty while a water fountain provides serenity, an early evening class held outdoors by a firepit. All this under a gazebo.

The goal is to have this ready before this year's High Holidays and Tashlich prayers.

A big thank you to Patricia Balter, Jennifer Brown, & Shoshana Fishberg, who are dedicating this project to the memory of their sister and aunt, Ruth Elizabeth Lacome, Elka bas Sarah Faiga OBM, 7 Cheshvan 5761 - 2000.

TEHILLIM - PSALMS - CHAPTER 91

Mickey Sander's birthday is May 11, 1930 = 13 Iyar 5690

This year he turned 90! In his honour, we will pray and read Thilim - Psalm 91.

~

He who dwells in the covert of the Most High will lodge in the shadow of the Almighty.

I shall say of the Lord [that He is] my shelter and my fortress, my God in Whom I trust.

For He will save you from the snare that traps from the devastating pestilence.

With His wing He will cover you, and under His wings you will take refuge; His truth is an encompassing shield.

You will not fear the fright of night, the arrow that flies by day;

Pestilence that prowls in darkness, destruction that ravages at noon.

A thousand will be stationed at your side, and ten thousand at your right hand; but it will not approach you.

You will but gaze with your eyes, and you will see the annihilation of the wicked.

For you [said], "The Lord is my refuge"; the Most High you made your dwelling.

No harm will befall you, nor will a plague draw near to your tent.

For He will command His angels on your behalf to guard you in all your ways.

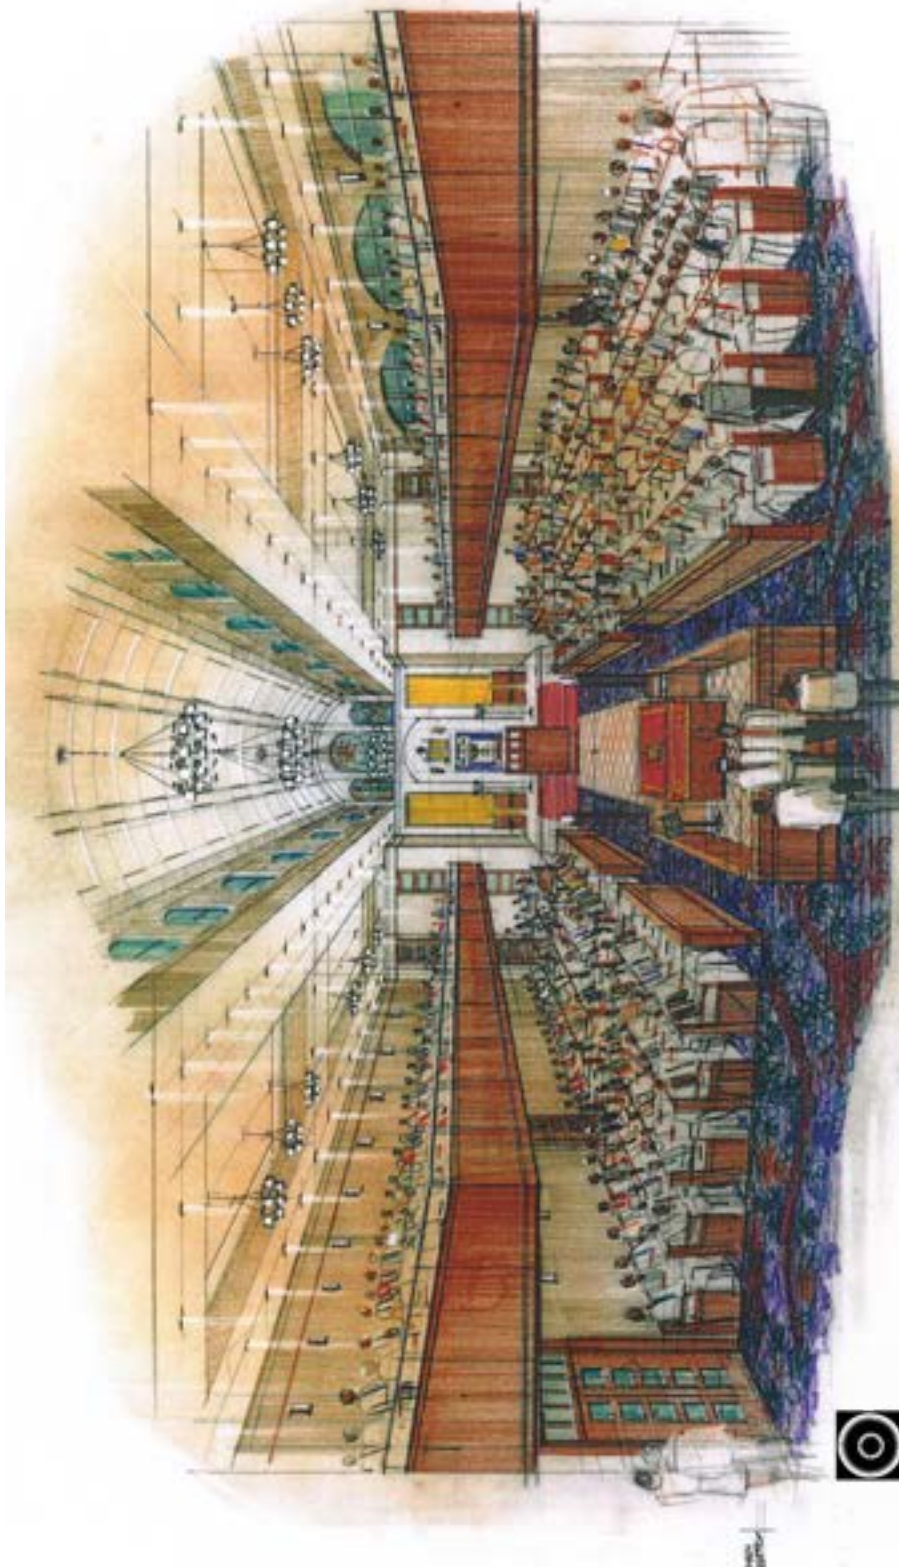

On [their] hands they will bear you, lest your foot stumble on a stone.

On a young lion and a cobra you will tread; you will trample the young lion and the serpent.

For he yearns for Me, and I shall rescue him; I shall fortify him because he knows My name.

He will call Me and I shall answer him; I am with him in distress; I shall rescue him and I shall honor him.

With length of days I shall satiate him, and I shall show him My salvation.
